Su richiesta, l'altezza del passante può essere realizzata in base allo spessore della cintura.

On request, the height of the loop could be produced according to the thickness of the belt.

La FIBBIA INTERCAMBIABILE rappresenta un valore aggiunto per le Cinture DOUBLE FACE.
La Cintura, infatti, non è cucita direttamente sulla Fibbia e il sistema di chiusura nasconde i fori dell'asta.

Rigorosamente MADE IN ITALY le Fibbie Intercambiabili sono in OTTONE e possono essere realizzate in diverse finiture.
[CLICCA QUI PER VISUALIZZARE LA CARTELLA DELLE FINITURE](#)

The INTERCHANGEABLE BUCKLE represents an added value for the DOUBLE FACE Belts.
Infact, the Belt is not sewn directly on the Buckle and the closure system hides the Belt holes.

100% Made in Italy, the Intercheangeable Buckles are in SOLID BRASS and can be made in several Finishes.
